

Home and Youth Affairs Bureau launches new round of Funding Scheme for Youth Internship in the Mainland

The Home and Youth Affairs Bureau (HYAB) and the Youth Development Commission (YDC) jointly launched the 2024-25 Funding Scheme for Youth Internship in the Mainland today (October 18). Eligible non-governmental organisations (NGOs) are invited to submit applications.

The Government attaches great importance to youth development. The HYAB promulgated the Youth Development Blueprint in end-2022, which states that the Government will further strengthen the breadth and depth of the Mainland and international internship and exchange programmes with a view to enhancing young people's understanding of the country and supporting their integration into the overall development of the country. Through the Funding Scheme for Youth Internship in the Mainland, the HYAB and the YDC provide funding for NGOs to organise youth internship projects on the Mainland for young people to experience first-hand the actual workplace environment therein and deepen their understanding of the Mainland's employment market, workplace culture and development opportunities. It will help young people set their future career goals, accumulate work experience, build an interpersonal network and boost their employment advantage in the future.

Details of the new round of the funding scheme and application forms are available on the YDC website (www.ydc.gov.hk/en/programmes/ip/ip_fundingscheme.html). Interested NGOs should submit their applications on or before November 17.
