

Hong Kong Flower Show's flower replanting scheme invites applications

Schools, environmental groups and non-governmental organisations are invited to apply for this year's "Give the Flowers a New Home!" Jockey Club Flower Re-planting Scheme of the Hong Kong Flower Show by February 17. The application form can be downloaded from the flower show webpage at www.hkflowershow.hk/en/hkfs/2025/flower.html.

Every year after the flower show, showground flowers suitable for replanting are sent to Leisure and Cultural Services Department (LCSD) parks for replanting. To encourage replanting in the community and raise environmental awareness among the public, the flower replanting scheme has been running since 2014. Upon successful application, organisations and schools may receive potted plants by either on-site collection from showground or free delivery by the organiser. The type and number of plants will be assigned by the organiser. For details, please visit the above-mentioned webpage.

Organised by the LCSD, this year's flower show will be held from March 14 to 23 at Victoria Park, featuring cosmos as its theme flower, with the theme being "Ablaze with Glory". The Hong Kong Jockey Club Charities Trust is supporting the flower show for the 13th consecutive year and has been its major sponsor since 2014.
