

Hospital Authority Service Arrangement

The following is issued on behalf of the Hospital Authority:

The Hospital Authority (HA) announces that as Tropical Cyclone Warning Signal No. 8 is in force, its general out-patient clinics, specialist out-patient clinics, allied health and other day services are closed. Patients, who have scheduled appointments, are advised to make a new appointment after the cancellation of the Tropical Cyclone Warning Signal No. 8.

Service of Accident & Emergency Department at public hospitals remains normal.

The HA had taken proper typhoon and flooding precautionary measures in public hospitals. Hospital staff are closely monitoring high-risk locations to facilitate prompt responses towards the adverse conditions and to ascertain emergency services unaffected. The HA will continue to maintain close contact with relevant government departments. If necessary, additional manpower will be deployed to cope with emergency situations.
