

How much do tenants know about their insurance rights under the Pubs Code? Help the PCA find out

The PCA is looking for current tied tenants (or those who were tied after July 2016) to [answer a few questions](#) about their insurance rights under the Pubs Code and how they have used them. It should take no more than 5 minutes.

The survey will close on 16 July 2021.

Tenants may choose to complete the survey anonymously. We aim to publish an anonymised summary of the results.

See our [factsheet](#) for information about tied tenants' insurance rights under the Pubs Code.
