

# Hung Shing Yeh Beach reopened

Attention TV/radio announcers:

Please broadcast the following as soon as possible:

Here is an item of interest to swimmers.

The Leisure and Cultural Services Department announced today (July 23) that the shark prevention net at Hung Shing Yeh Beach in Islands District has been repaired and the beach will be reopened today.

Meanwhile, Pui O Beach in Islands District remains closed for shark prevention net maintenance.

The beaches were temporarily closed earlier for shark prevention net maintenance work.
