

HyD invites tenders for management, operation, installation and maintenance of public lighting system in Kowloon and New Territories East

The Highways Department (HyD) today (June 15) invited tenders for a four-year contract for the management, operation, installation and maintenance of the public lighting system in Kowloon and New Territories East (contract No. 01/HY/2018) from October 2018 to September 2022.

The contract, which will be supervised by the Lighting Division of the HyD, covers the design, installation, management, operation and maintenance of the public lighting system in Kowloon and New Territories East. The public lighting system generally consists of conventional road lighting, village lighting, gantry sign lighting, roadside directional sign lighting, traffic bollard lighting and the associated network of cables, ducts and peripheral items.

Within the designated contract area, there are about 55 400 road lighting points, 3 700 traffic bollards and 2 800 lighting installations on illuminated gantry signs and roadside directional signs.

Tender submissions should be placed in the Government Logistics Department Tender Box at G/F, North Point Government Offices, 333 Java Road, North Point, Hong Kong. Submission of tenders will close at noon on July 27, 2018 (Friday).

For enquiries, please call 3903 6550.
