

HyD invites tenders for management, operation, installation and maintenance of public lighting system in New Territories West

The Highways Department (HyD) today (May 17) invited tenders for a four-year contract for the management, operation, installation and maintenance of the public lighting system in New Territories West (contract no. 03/HY/2019) from October 2019 to September 2023.

The contract, which will be supervised by the Lighting Division of the HyD, covers the design, installation, management, operation and maintenance of the public lighting system in New Territories West. The public lighting system generally consists of conventional road lighting, village lighting, gantry sign lighting, roadside directional sign lighting, traffic bollard lighting and the associated network of cables, ducts and peripheral items. Within the designated contract area, there are about 71 700 road lighting points, 3 900 traffic bollards, and 2 100 lighting installations on illuminated gantry signs and roadside directional signs.

Tender submissions should be placed in the Government Secretariat Tender Box at the lobby of the Public Entrance on G/F, East Wing, Central Government Offices, 2 Tim Mei Avenue, Tamar, Hong Kong. Submission of tenders will close at noon on June 28, 2019 (Friday).
