<u>Illegal fishing clampdown in</u> <u>Lincolnshire</u>

Press release

16 anglers were served notices for fishing offences in Lincolnshire during a multi-agency clampdown on illegal fishing.

The <u>Environment Agency's</u> fisheries enforcement teams, <u>police wildlife crime</u> officers, and voluntary bailiffs from the <u>Angling Trust</u> together made 118 spot checks on anglers.

The Environment Agency led the clampdown on 25 July 2021 to ensure anglers were properly licensed and following fishing rules. Meticulous intel-led planning ensured the patrols at locations across the county were effective.

James Hooker, the Environment Agency's fisheries team leader for Lincolnshire, said:

It's great we can work with our partners on enforcement and deliver a stark message: follow the rules or pay up.

We want to make it clear offenders can expect to be prosecuted and face a fine of up to $\pounds 2,500$.

As well as breaking the law, illegal fishing risks spreading invasive species and diseases.

Fishing legally is inexpensive, <u>fishing licence prices</u> start at £6 and young people aged up to 16 can fish for free.

The Environment Agency's fisheries service is <u>funded by fishing licence</u> <u>income</u>. This income helps to deliver a wide range of services, all designed to protect, enhance and improve fisheries for people, the environment and angling. You can buy a rod licence:

- Online(https://www.gov.uk/fishing-licences/buy-a-fishing-licence)
- At a <u>Post Office</u>
- Or by calling the Environment Agency on 0344 800 5386.
