## <u>Independent report: CoRWM response to</u> <u>Welsh Government consultation on</u> <u>'Geological disposal of radioactive</u> <u>waste: working with communities'</u>

On 25 January 2018 the Welsh Government launched a public consultation on <u>Geological Disposal of Radioactive Waste: Working with Communities</u>.

This document is CoRWM's response to the consultation.

CoRWM finalised this response at its <u>plenary meeting</u> in March, and developed it through correspondence, subgroup meetings and attendance at 7 consultation workshops held by BEIS.
