

Information Expo on Multiple Pathways 2019 to be held on May 3 and 4

The Education Bureau will hold the Information Expo on Multiple Pathways 2019 (Info Expo) from 10am to 6pm on May 3 and 4 (Friday and Saturday) at Rotunda 2 of the Kowloonbay International Trade & Exhibition Centre. Information on various articulation opportunities will be provided for secondary school graduates to better prepare them to plan for further studies and career paths.

More than 30 institutions and organisations will set up exhibition booths at the Info Expo to provide information on locally accredited post-secondary programmes (including programmes eligible for government subsidy schemes, as well as vocational and professional education and training programmes); the Diploma Yi Jin programme; relevant online platforms such as the Information Portal for Accredited Post-secondary Programmes, the Electronic Advance Application System for Post-secondary Programmes and the Concourse for Self-financing Post-secondary Education; and the Qualifications Framework.

Hok Yau Club, the Hong Kong Federation of Youth Groups and the Hong Kong Young Women's Christian Association will offer studies and career guidance services to students. There will also be talks and student sharing sessions on multiple pathways and preparation for articulation to post-secondary education. Industry and institution representatives will provide first-hand information about relevant programmes and careers in the industries concerned. Admission is free.
