

Inspector of Marine Accidents (Nautical) – Southampton

Your key responsibilities will include:

- deploying to accident sites and leading investigations
- collecting evidence and interviewing witnesses
- conducting detailed analysis in order to identify safety issues and draft recommendations
- writing investigation reports and safety bulletins
- giving evidence at inquests and fatal accident inquiries

You must be prepared to travel throughout the UK (for which you will need a full UK driving licence) as well as overseas.

For further information about this position and how to apply see [Civil Service Jobs, Inspector of Marine Accidents – Nautical, Ref: 1639540](#).

Closing date: 16 August 2019.
