<u>Intelligent Ship — the Next</u> <u>Generation: Dial-in briefing and 1-1s</u>

The Defence and Security Accelerator is holding a dial-in briefing and 1-1 teleconference sessions as part of its $\underline{\text{Intelligent Ship}}$ – the Next Generation competition.

The competition team will be on hand to explain the background to the competition and answer any questions you might have.

The multi-million pound competition is seeking novel and innovative projects for the Royal Navy's future operating environment.

The dial-in session will be held 1100 - 1200 BST on 02 July 2019.

The 1-1s will be held $1200\,-\,1400$ BST on 02 July 2019 and will last 20 minutes per supplier.
