

# Interns expand career horizons

The Scheme on Corporate Summer Internship on the Mainland and Overseas, organised by the Home and Youth Affairs Bureau, has resumed after the COVID-19 pandemic in collaboration with 24 large corporates each offering internship placements lasting no less than six weeks, with 234 students having successfully completed their internships.

News.gov.hk spoke to two interns to learn more about their experiences of joining the scheme, while two participating corporates outlined the benefits of offering internship placements not only to their business but to the community.

The story is available at [www.news.gov.hk/eng/feature](http://www.news.gov.hk/eng/feature) today (September 17) in text and video format.
