

# Issues with our services have been resolved

News story

We will continue to monitor the services closely.

The issues we experienced earlier today with the services below have been resolved.

- Business e-services portal
- Business Gateway
- MapSearch
- Local Land Charges (search function on e-services)
- Find a property
- Property Alert

We do not expect any further issues but will continue to monitor the services closely.

We are sorry for any inconvenience caused by these issues and thank you for your patience while we resolved them.
