

Issues with some of our services

News story

We are investigating as a matter of urgency.

We are currently experiencing issues with some of our services. They are:

- Business e-services portal
- Business Gateway
- MapSearch
- Local Land Charges (search function on e-services)
- Find a property
- Property Alert

Login pages for the services may remain available. However, any further activity beyond this may be unsuccessful.

These issues are being investigated as a matter of urgency.

We apologise for any inconvenience and would like to assure you that we are doing everything possible to get the services running as soon as possible.
