It takes more than re-naming departments to erase seven years of failure - Trickett

Jon Trickett MP, Labour's Shadow Minister for the Cabinet Office, responding to Theresa May's reshuffle today, said:

"With the NHS in crisis, working people worse off and Brexit preparations in turmoil, Theresa May is leading a failing Government.

"By simply rearranging the deckchairs in her reshuffle, Theresa May has shown that her floundering Government is out of fresh ideas. It takes more than renaming departments to erase seven years of failure.

"What the country desperately needs is a new approach. With Jeremy Corbyn, that's what Labour offers: a new Britain, run in the interests of the many, not the few."
