

ITB officer tests positive for COVID-19

The Innovation and Technology Bureau today (April 7) said that a staff member of the Secretary for Innovation and Technology's Office has tested positive for COVID-19 with a rapid test.

The officer is the Press Secretary to the Secretary for Innovation and Technology. She wore masks and followed relevant disease prevention measures at work. She has no recent travel history, and last went to work on April 1.

The Secretary for Innovation and Technology, Mr Alfred Sit, has been taking COVID-19 rapid tests every day and the results have all been negative.
