

Joint Statement with Lord Mann

Green Party

15 May 2024

Joint Statement from the Co-Leaders and Deputy Leader of The Green Party and Lord Mann, the Government's Independent Advisor on Antisemitism:

“Lord Mann and the leadership team at The Green Party of England and Wales met last week to discuss the important issue of antisemitism. Both parties have committed to continued dialogue and working together to ensure that antisemitism, like all racism, has no place in Green politics and to better educate Green representatives about anti-Jewish racism. The Green Party has taken a series of proactive steps towards these goals but understands that this will take consistent work going forward.”
