

Ketofen 10% Solution for Injection – Product defect recall alert

News story

Product defect recall alert for: Ketofen 10% Solution for Injection (Vm 15052/4146) by Ceva Animal Health Ltd.

We wish to make wholesalers aware that Ceva Animal Health Ltd has initiated a Class II recall of Ketofen 10% Solution for Injection.

During the visual inspection it has been confirmed that there is a possibility of particulate contamination which is not acceptable for an intravenous use preparation. This recall is for the following batches only:

- 108AB Expiry 12/01/2023
- 113H Expiry 16/03/2023

Ceva Animal Health Ltd is contacting retailers, veterinary surgeons and wholesale dealers to examine inventory immediately and quarantine products subject to this recall.

For further information regarding the recall, please contact Peter Kyte Business Unit Manager on +44 1494 781510.
