

Labour Department to fully resume public services from February 18

To align with the Government's announcement to fully resume normal public services, all service counters and the two occupational health clinics in Kwun Tong and Fanling under the Labour Department (LD) will resume normal opening hours from next Thursday (February 18).

In view of public health considerations, members of the public entering the LD's offices and clinics should wear masks at all times, and comply with infection control measures including temperature checks, using the "LeaveHomeSafe" mobile app or registering their names, contact numbers and the date and time of their visits, and crowd control arrangements.

Members of the public may continue to make use of the department's online services and information (www.labour.gov.hk). Job seekers can use the Interactive Employment Service Website (www.jobs.gov.hk) for job searches. The LD's Telephone Employment Service Centre, all Job Centres and industry-based Recruitment Centres also provide enquiry and employment services by telephone during office hours (telephone numbers and office hours are shown at www.jobs.gov.hk/1/0/WebForm/information/en/our_service/info_jobcentres.aspx).

Applicants for issue of licence or renewal of licence of an employment agency may submit their applications to the office of the Employment Agencies Administration by post (Unit 906, 9/F, One Mong Kok Road Commercial Centre, 1 Mong Kok Road, Kowloon) or email (ea-ee@labour.gov.hk).

For information about employment rights and benefits, members of the public may browse the LD's website at www.labour.gov.hk/eng/faq/content.htm.
