

Latest arrangements for FEHD's public services

The Food and Environmental Hygiene Department (FEHD) today (April 20) announced that, in view of the latest developments of the epidemic situation, the Communication Resource Unit of the Centre for Food Safety of the FEHD will be reopened tomorrow (April 21), while its Health Education Exhibition and Resource Centre, regularly closed on Thursdays, will be reopened on April 22 (Friday).

The FEHD will continue to adopt special measures at the above venues to be reopened to minimise the risk of spreading the virus, including conducting temperature checks for all visitors before entering the venues, requiring visitors to wear their own masks and conducting enhanced cleaning and disinfection measures. Outreach programmes of the two venues will resume gradually. In addition, members of the public are required to scan the "LeaveHomeSafe" QR code before being allowed to enter.

Venue users are also reminded to comply with the Prevention and Control of Disease (Prohibition on Group Gathering) Regulation (Cap. 599G) on group gatherings, and the vaccination requirements of administrative instructions under the Vaccine Pass.

For the opening hours of the Health Education Exhibition and Resource Centre and the Communication Resource Unit of the Centre for Food Safety, please refer to their respective links at www.fehd.gov.hk/english/research_education/heerc/index.html and www.cfs.gov.hk/english/rc/medialib/index.html.
