

Latest arrangements for public services of Land Registry

To align with the Government's announcement to extend the special work arrangements for government departments, the Land Registry announced today (December 14) that the adjustment of the opening hours of its offices will be extended until further notice to provide emergency and essential public services. Details are as follows:

- (1) between 9am and 1.30pm from Monday to Friday other than a public holiday for the purpose of delivering instruments for registration; and
- (2) between 9am and 12.30pm from Monday to Friday other than a public holiday for other purposes.

Customers may also deposit documents to be delivered to the Land Registry (excluding instruments to be delivered for registration) in the drop-in box located near the Information Counter on the Deck Floor, High Block of Queensway Government Offices, between 9am and 5pm from Monday to Friday other than a public holiday.

Under the special work arrangements, customers may expect a longer waiting time for service. Customers are encouraged to conduct land searches through the Land Registry's online search service (www.iris.gov.hk) as far as possible, and visit its offices only if they require services urgently. For enquiries, please call the Land Registry hotline at 3105 0000.
