

Latest arrangements for public services of Land Registry

In alignment with the Government's announcement on the expansion of the special work arrangements for government employees, the Land Registry announced today (February 3) that the service hours of its offices will be adjusted starting from tomorrow (February 4) tentatively until February 11. Details are as follows:

- (1) between 9am and 1.30pm from Monday to Friday other than a public holiday for the purpose of delivering instruments for registration; and
- (2) between 9am and 12.30pm from Monday to Friday other than a public holiday for other purposes.

Customers may also deposit documents to be delivered to the Land Registry (excluding instruments to be delivered for registration) in the drop-in box located near the Information Counter on the Deck Floor, High Block of Queensway Government Offices, between 9am and 5pm from Monday to Friday other than a public holiday.

Under the special work arrangements, customers may expect a longer waiting time for service. Customers are encouraged to conduct land searches through the Land Registry's online search service (www.iris.gov.hk) as far as possible, and visit the Registry's offices only if they require urgent services. For enquiries, please call the Land Registry hotline on 3105 0000.
