

Latest arrangements on AFCD public services

The Agriculture, Fisheries and Conservation Department (AFCD) announced today (June 20) that its school and public education programmes will resume starting from next Monday (June 22).

School and public education programmes of AFCD public facilities including Hong Kong Wetland Park, Country Park Visitor/Education Centres, Hong Kong Geopark Visitor Centres and the Endangered Species Resource Centre, were suspended earlier. Such programmes will resume next Monday.

Please visit the AFCD website (www.afcd.gov.hk) for the arrangement and booking of the programmes.
