

LCSD to hold free programmes of Performing Arts Fun Day 2024 at Tsuen Wan Town Hall (with photos)

The Leisure and Cultural Services Department is presenting the Performing Arts Fun Day 2024 from May to June at three of its performance venues in the New Territories. The finale will be held at Tsuen Wan Town Hall (TWTH) at 2pm on June 2 (Sunday), with various talented local young artists and venue partners of TWTH showcasing free performing arts programmes and fringe activities. Members of the public are welcome to attend and experience the charm of performing arts.

The programmes of the Performing Arts Fun Day 2024 cover music, dance, theatre, and contemporary circus acts at the Auditorium of TWTH. Boonfaysau will offer an a cappella performance of original and arranged works. A contemporary dance and circus performance blending elements of kung fu, Cantonese opera, dragon dance, lion dance, etc, will be staged by arts group TS Crew. The Class 7A Drama Group will perform "The Gallants", leading audiences to enter the world of Chinese classical literature. Three fascinating original dance works will also be presented by dance group La Pen V Innovative Dance Platform.

Three fringe activities will also be held on the same day at the Cultural Activities Hall and Exhibition Gallery of TWTH. Venue partners of TWTH, Count-In Music and Ming Ri Institute for Arts Education, will present respectively the "Hong Kong Youth Jazz Collective – Jazz Appreciation Concert", and an interactive theatre, "Journey to the West", followed by a post-performance workshop, while local magician Zenneth Kok will offer a digitalised visual magic and mind reading performance, "In Your Sight, In Your Mind".

Admission to all programmes is free with limited places available on a first-come, first-served basis. Tickets for the fringe activities will be available at the enquiry counter of TWTH on the event day from noon while stocks last.
