

LCSD to reopen Kowloon Park Sports Centre

The Leisure and Cultural Services Department (LCSD) announced today (October 3) that its Kowloon Park Sports Centre will reopen for public use from October 12 (Wednesday). The facility was temporarily closed earlier for anti-epidemic purposes.

Members of the public can reserve the fee-charging facilities of the Kowloon Park Sports Centre from October 6 (Thursday) via the Internet booking services of Leisure Link, counter bookings and self-service kiosks at opened venues, or via the Booking Offices of the District Leisure Services Offices during office hours.
