

LD to hold Chill Bazaar 2023 – Entrepreneurship Experience Day

The Youth Employment Start (Y.E.S.) of the Labour Department will hold the Chill Bazaar 2023 – Entrepreneurship Experience Day at the Atrium of Mira Place 1 from 1pm to 9pm on November 4 and 5. Members of the public are welcome to visit.

This event aims at allowing business members of Y.E.S. to have a taste of doing retail business for free in the bazaar and gain entrepreneurship experience. This year, Y.E.S. received over 90 applications for the Entrepreneurship Experience Day, and 20 teams were chosen to participate after a screening and selection process. The selected members are provided with comprehensive support services by Y.E.S and a professional consultant, including training, one-on-one consultation prior to the event, on-the-spot support services and post-event reviews.

This year's bazaar will feature 20 stalls, selling a diverse range of handcrafted and innovative products such as wooden decorations, handmade candles, board games, natural skincare products and handicrafts. Visitors can explore and shop for these unique products and vote for the retail stalls with the Most Attractive Product, Most Distinctive Stall Decoration, and Best Customer Service at the bazaar. Visitors who make purchases or cast their votes will receive souvenirs as a token of appreciation.

During the bazaar, Y.E.S. will also set up a counter to introduce its free one-stop comprehensive employment, training, and self-employment support services offered to members aged 15 to 29. Eligible young people who complete the on-site preliminary membership registration will receive exclusive welcome gifts. For more details, please visit the Y.E.S. website (www.e-start.gov.hk).
