

Letter from the ACMD to the Home Secretary: GHB, GBL, and related compounds

The ACMD write to the Home Secretary in response to the 6 January letter commissioning the ACMD to urgently review the classification and scheduling of GHB, GBL, and closely related compounds.

The ACMD welcomes the commission and has prioritised this workstream.

The letter from the Home Secretary [asking the ACMD to review the classification of GHB and GBL](#) is available on GOV.UK.
