Marine Accident Statistics report 2019 published

News story

Today, we have issued our Marine Accident Statistics report for 2019.

This report includes:

- a statement from the Chief Inspector of Marine Accidents
- an overview of marine casualty reports to the MAIB in 2019
- detailed statistics for:
 - ∘ UK vessels: accidents involving loss of life
 - ∘ UK merchant vessels 100gt and over
 - ∘ UK merchant vessels under 100gt
 - ∘ UK Fishing vessels
 - ∘ Non-UK commercial vessels

This document has been added to our **Annual Report 2019 page**.
