

Members of the public may take children/family members to care centres as usual tomorrow

Attention duty announcers, radio and TV stations:

Please broadcast the following special announcement immediately, and repeat it at frequent intervals:

"The Social Welfare Department (SWD) reminded members of the public that they may take their children or family members to child care centres, centres providing after school care programmes, elderly services centres or day rehabilitation units including sheltered workshops, integrated vocational rehabilitation services centres and day activity centres as usual tomorrow (November 25). As the road and traffic conditions have not fully recovered, the SWD reminded members of the public to pay attention to traffic news before leaving home."
