

My intervention on NHS Dentistry: Recovery and Reform

John Redwood (Wokingham) (Con):

Wokingham has a fast-growing population based on building a lot of new homes. So as the Secretary of State rolls out her new plans, will she also ensure that there are incentives to provide dental services on the NHS in areas where a population is moving in and needs them?

Victoria Atkins, (Secretary of State for Health):

My right hon. Friend raises an interesting point. Indeed, that is exactly the sort of discussion I am having with my right hon. Friend the Levelling Up Secretary, because I am really interested in having that connected and joined-up approach between planning and health. I think it could bring dividends for us all.
