

## My question during the statement on the Shared Rural Network, 28 October 2019

**John Redwood (Wokingham) (Con):** How and when will my constituents in west Berkshire and Wokingham be able to get an advantage out of this excellent initiative? Will they need to do anything?

**The Secretary of State for Digital, Culture, Media and Sport (Nicky Morgan):** No, they will not need to do anything. They will see the roll-out. Near, if not in, his constituency is, of course, a significant office of Vodafone, and we are grateful that it is part of these arrangements.
