

My question during the statement on the Shared Rural Network, 28 October 2019

John Redwood (Wokingham) (Con): How and when will my constituents in west Berkshire and Wokingham be able to get an advantage out of this excellent initiative? Will they need to do anything?

The Secretary of State for Digital, Culture, Media and Sport (Nicky Morgan): No, they will not need to do anything. They will see the roll-out. Near, if not in, his constituency is, of course, a significant office of Vodafone, and we are grateful that it is part of these arrangements.
