

National Statistics: Historical national statistics notices on milk utilisation by dairies, 2018

Updated: Added historical statistical notice for July 2018.

This publication gives previously published copies of the National Statistics publications on the volume of milk used by dairies in England and Wales in the production of drinking milk and milk products that showed figures for 2018. Each publication gives the figures available at that time. The figures are subject to revision each month as new information becomes available.

The latest publication and accompanying data sets can be found [here](#)
