

National Statistics: Latest UK egg statistics

Updated: Updated with Quarter 2 2018 statistical notice and datasets.

This publication gives quarterly information on egg production, usage and prices. This includes UK egg packing station throughput by country and egg production system (intensive, barn, free range, organic) and prices paid by UK egg packers to producers. The information about egg usage includes the number of eggs bought by UK egg processors and the quantity of egg products they produce. Monthly information about trade in eggs and egg products is also included.
