

Need to do a tax return for the first time? Tell HMRC by 5 October

HM Revenue and Customs (HMRC) is reminding customers who need to complete a tax return for the 2021 to 2022 tax year to let HMRC know by 5 October 2022. They can do this by registering for Self Assessment.

Before customers can complete their first tax return, they need to register with HMRC to receive their Unique Taxpayer Reference (UTR). Customers need their UTR to file a return. The tax return deadline for the 2021 to 2022 tax year is 31 October 2022 for those completed on paper forms, and 31 January 2023 for online returns.

HMRC is encouraging customers to plan ahead to give themselves the best chance to complete their Self Assessment on time. Customers who file early will benefit from knowing what they owe, allowing them to budget and pay at a time that suits them. If customers are due a refund, they could get it back quicker. Customers have until 31 January to pay any tax owed.

Myrtle Lloyd, HMRC's Director General for Customer Services, said:

By registering early, Self Assessment customers will have plenty of time to prepare and access all the help available to them before they start their first tax return.

Help and support is available to anyone completing a return, just search 'Self Assessment' on GOV.UK.

All Self Assessment customers need to be alert to the risk of criminals emailing, calling or texting claiming to be from HMRC. Scams come in many forms – some threaten immediate arrest for tax evasion, others offer a tax rebate. Contacts like these should set alarm bells ringing and HMRC advises customers to take their time and check scams advice by searching for ‘HMRC scams’ on GOV.UK. HMRC also urges customers never to share their HMRC login details. Someone using them could steal from the customer or make a fraudulent claim in their name.
