

[New campus trains talent](#)

The Technological and Higher Education Institute of Hong Kong (THEi) has opened its new campus in Chai Wan, equipping young people with professional skills. The building's green architecture and design has garnered a few accolades.

News.gov.hk spoke to THEi's staff and students to find out how the new campus' state-of-the-art teaching and learning facilities help to produce work-ready graduates.

The story appears on news.gov.hk today (June 30) in text and video format.
