

New Yearbook "Hong Kong 2020" to go on sale tomorrow (with photo)

The Government's latest Yearbook, "Hong Kong 2020", will go on sale at the Hong Kong Book Fair tomorrow (July 14).

With a wealth of facts and figures, the Yearbook provides an extensive account of government policy and activities and an overview of Hong Kong life and developments during the year. Its 22 chapters cover a wide range of subjects, including Hong Kong's constitution and legal system, the economy, innovation and technology, education, health, housing, transport, culture and the arts.

There are also 10 photo sections, with over 90 pictures illustrating different aspects of Hong Kong. The cover illustration and two photo sections feature the impact of COVID-19 and the measures taken in response, while the map on the inside back cover shows hospitals in the territory.

The standard price of "Hong Kong 2020" is \$302. It will be offered at \$227, after a 25 per cent discount, at the Information Services Department booth (booth No. 1B-B37) during the Book Fair from July 14 to 20 at the Hong Kong Convention and Exhibition Centre.
