The Government's latest yearbook, "Hong Kong 2022", went on sale today (November 17). The online version is available for free at [www.yearbook.gov.hk/2022/en/](http://www.yearbook.gov.hk/2022/en/).

The publication, with a new layout and structure, provides readers with an overview of life in Hong Kong in the year 2022. In 19 chapters, the yearbook covers the administration, legislature, legal system and economy, detailing the government policies, achievements and developments in the year.

The cover illustration features the 1.8-kilometre Cross Bay Link, Tseung Kwan O, which opened in 2022 and formed a new alternative route from Tseung Kwan O to Kwun Tung and the Eastern Harbour Crossing.

One of the photo sections, "Connected City", echoes the cover design, featuring Hong Kong's sophisticated tunnels and bridges. Together with another nine photo sections, there are some 100 pictures in the yearbook, exploring different aspects of vibrant Hong Kong in 2022, including the 25th anniversary of the establishment of the Hong Kong Special Administrative Region celebrations, the opening of the Hong Kong Palace Museum and the stunning seascapes to be found off outlying islands.
