

News story: Animal medicine seizure notice: Belgica De Weerd stand at The British Homing World Show.

411 boxes/pots intended for sale were seized as they were unauthorised veterinary medicines.

These products were all labelled for use on pigeons and included treatment indicated for worms, trichomoniasis (canker), coccidiosis and respiratory infections.

The sale and supply of these products is an offence under Regulation 4 (Placing a veterinary medicinal product on the market) and Regulation 26 (Possession of an unauthorised veterinary medicinal product).
