

News story: Animal medicines improvement notice: Taggart Jack, Omagh, County Tyrone

This Improvement notice was issued to Taggart Jack for the following:

1. POM-VPS products found to be available for self-selection, contrary to Schedule 3, paragraph 14 of the VMR
2. Batch numbers were not being recorded for all sales of POM-VPS products, contrary to regulation 23 of the VMR
3. Veterinary products were not being stored in accordance with their SPCs

The improvements required are:

1. All POM-VPS products to be removed from self-selection
2. Systems to be put in place to ensure full traceability of supply of POM-VPS products
3. To record the minimum and maximum temperatures for controlled medicines kept in fridges
