

News story: Appointment to the board of the Environment Agency

Joanne Segars OBE has been appointed to the board of the Environment Agency by Environment Secretary, Andrea Leadsom.

The appointment will take effect from 1 March 2017 for three years.

Joanne is the Chief Executive of the Pensions and Lifetime Savings Association, having originally joined the organisation as Director of Policy. She is a board member of the Pensions Infrastructure Platform and Pensions Europe, with experience spent as Chair of both. Joanne is also on the board of Pension Quality Mark Ltd. Joanne is a founding governor of the Pensions Policy Institute and sits on its council. She is also a Director of TUC Stakeholder Trustees Ltd.

Formally, Joanne was Chair of the Scheme Advisory Board for the Local Government Pension Scheme; a member of the Secretary of State's Advisory Group on Stakeholder Pensions; and a board member of the Occupational Pensions Regulatory Authority.

Board members provide non-executive leadership challenge and support to the Environment Agency's executive through regular board meetings, committees and groups. They also undertake individual lead roles on relevant issues and with local operational teams.

All appointments to the Environment Agency board are made on merit and political activity plays no part in the selection process. The appointment complies with the Code of Practice of the Commissioner for Public Appointments (which was superseded by the Ministerial Governance Code on Public Appointments in January 2017).

The Environment Agency is a Non-Departmental Public Body, set up under the Environment Act 1995 to take an integrated approach to environmental protection and enhancement in England. The Environment Agency has major responsibilities in flood management, water resources and quality, climate change, land quality, chemicals, pollution prevention and control, waste, conservation and biodiversity, fisheries conservation, air quality and navigation.
