## News story: Crime news: change of address for cost judge appeals

New address from 11 September 2017 for notices of appeals to a cost judge for graduated fee scheme work.

Advocates and litigators should use a new address from 11 September for notices of appeals to a cost judge relating to graduated fee scheme work.

Your appeal papers should in future go to this address instead of the graduated fee team in Nottingham:

Central Legal Team
7th Floor, Zone C (7.39)
Legal Aid Agency
102 Petty France
London
SW1H 9AJ

Notices already sent to Nottingham will be forwarded to Petty France.

## What the regulations say

These appeals are covered by the Criminal Remuneration Regulations. Advocates and litigators are allowed to challenge a redetermination decision on their fees under the Graduated Fee Scheme to a cost judge.

Regulations 29(3) and 29(4) require the appellant to serve a copy of the notice of appeal and any relevant supporting documents on the LAA.

In cases where electronic evidence is in dispute this would include a copy of the disc(s) or USB(s) containing the evidence being claimed for.
