Use version 1.20 of the bulkload spreadsheet when submitting claims via Contract Work and Administration (CWA).

You need to use version 1.20 of the bulkload spreadsheet to submit claims in Contract Work and Administration (CWA). This is now available for you to download on GOV.UK.

The updated version 1.20 allows the reporting of the pre-charge bail claims which were introduced in April 2017. It replaces version 1.19 which should no longer be used for submissions.
