

[News story: Derailment at Paddington station](#)

Train derailed at Paddington station, London, 20 August 2017.

On departure from London Paddington, the rear powercar of the 11:57 hrs train from Paddington to Penzance, derailed at low speed adjacent to platform 2. There were no injuries and repairs to the track were completed by 04:00 hrs on Tuesday 22 August.

We have undertaken a [preliminary examination](#) of the circumstances surrounding this accident. Having assessed the evidence which has been gathered to date, we have decided to publish a [safety digest](#).

The safety digest will shortly be made available on our website.
