We are building an industrial strategy to deliver a high-skilled, competitive economy that benefits people throughout the UK.

Our economy has great strengths, but while many people, places and businesses are thriving, opportunities and growth are still spread unevenly across the country.

We are developing a modern industrial strategy. We want to build on our strengths to enable all parts of the country to succeed: helping to deliver a high-skilled, competitive economy that benefits people throughout the UK.

The Industrial Strategy green paper, 'Building our Industrial Strategy', will be available here this afternoon.
