

[News story: Government Chief Science Adviser, Sir Patrick Vallance pays tribute to Professor Lord Bhattacharyya](#)

Commenting on the sad news that Lord Bhattacharyya, chairman of Warwick Manufacturing Group (WMG) at the University of Warwick has passed away. Sir Patrick Vallance, Government Chief Scientific Adviser said:

Lord Bhattacharyya was a visionary with respect to how science engineering and businesses can work together, a close advisor to successive British Governments, and a stalwart champion for British manufacturers over decades. He will be sadly missed.
