

# [News story: Improving crowd resilience demonstration day](#)

Following the 2017 terror attacks which targeted crowded places, the Office for Security and Counter Terrorism (OSCT) and Defence and Security Accelerator (DASA) launched a [£1 million competition](#) on 27 July 2017 to develop innovative approaches to improving crowd resilience.

We are holding a collaboration event to highlight these innovative ideas to suppliers already delivering solutions in the following areas within the crowded places supply chain :

- CCTV hardware
- CCTV software/video analytics
- Thermal imaging camera systems
- Managed Service Providers providing systems integration and/or buildings system management
- Event management companies
- Marketing companies

This is a unique opportunity to discuss collaboration on the five funded projects that are eligible for further Government funding.

## **To register**

If you would like to [register your Expression of Interest](#) to attend the event in London on Thursday 3 May 2018, please note that you will need to provide a statement on your registration form regarding which capability your organisation already provides and where it is being delivered, or whether your organisation could offer benefit to the funded projects.

## **Registration deadline**

The deadline for this Expression of Interest is Friday 27 April at 5pm. The DASA team will contact you to let you know whether you've been selected to attend.
