

News story: Mayank Prakash steps down from BPDTS Ltd's Board of Directors

The BPDTS board in December marked the departure of Mayank Prakash, one of the company's founding directors.

Thanking Mayank for his contributions, chair of the BPDTS Ltd board, Helen John, said:

Mayank was hugely committed to creating a successful partnership between DWP Digital and BPDTS. I'm sure that without him, there would be no BPDTS, and we wish Mayank all the best for the future.
