

News story: Over ten metre vessel licence categories

Creation of a single licence category for the over ten metre fleet segment in Scotland

You may be aware that Marine Scotland have created a single licence category for the over ten metre fleet segment in Scotland.

Different licence categories will remain in existence in England after 30 June 2017. Category B or C licence entitlements transferring from Scotland will be received as a Category B or C as they were prior to 1 July 2017.

Scottish licences created through disaggregation or aggregation in Scotland after 30 June 2017 will be tracked back to the lowest common denominator and received accordingly on transfer to England. For example a licence aggregation between an ex-Category B and an ex-Category A licence in Scotland will be received in England as a Category B licence.
